GENERAL INDEX

VOLUME XI, 1916

A

Abderhalden's reaction, 138
Abortion, infectious, 13, 391, 699, 723
Abscess of shoulder of horses, 309
Acarus mange of ears of dog and cat, 885
Accounts, regular attention to, 444
Accuracy in diagnoses, 193
Acetic acid extract of nux vomica, 59
Act, the Federal aid road, 875
Actinomycosis, how is it spread? 757
Adenoma from mammary gland of sow, 896
Adrenalin in parturient paresis, 146
Advertising of empirics, 465
Agricultural appropriation act, 914
Agricultural college stepping stone to veterinary school, 939
Air passages, zymotic diseases of, 323
Alabama veterinarians meet, 410
Alcohol absorbed from stomach, 544
Alcohol for purpura hemorrhagica, 139
Algoma, veterinary practice in, 471
Alkaloidal therapy, 141
Alopecia treated with mercury, 961
Alopecia, treatment for, 220
Alum treatment for laminitis, 317
Alumni association of New York State Veterinary College meeting, 655
American Red Star animal relief, 971
A. V. M. A. clinic at Detroit, 741
A. V. M. A. committee on agricultural college investigation, 721
A. V. M. A. committee on diseases, 713
A. V. M. A. committee on emblem, 721
A. V. M. A. committee on finances, 739
A. V. M. A. committee on glanders, 722
A. V. M. A. committee on intelligence and education, 718
A. V. M. A. committee on journal, 720
A. V. M. A. committee on legislation, 740
A. V. M. A. committee on necrology, 719
A. V. M. A. constitution, 809
A. V. M. A. Detroit meeting personals, 768
A. V. M. A. emblems, 229, 475
A. V. M. A., executive board of the, 877
A. V. M. A. executive board, meeting of, 955
A. V. M. A. meeting at Detroit, 476, 711
A. V. M. A. meeting in 1917, 622
A. V. M. A. meetings, clinics at, 628
A. V. M. A. membership, 922
A. V. M. A. membership boost, 207
A. V. M. A. officers and committees, 120
A. V. M. A. officers elected, 744
A. V. M. A. presidential address, 689
A. V. M. A. proceedings, prompt report of, 709
A. V. M. A. program, 620
A. V. M. A. program at Detroit, 535
A. V. M. A. registration at Detroit, 745
A. V. M. A. to Detroit next, 34
Amputation of foreleg in steer, 974
Amputation of one-quarter of udder, 899
Amputation of penis in a bull, 67
Amputation of rectum in a sow, 67
Analysis of urine, 865
Anemia, microscopic lesions in, 463
Anesthesia for dental operations, 892
Anesthesia from chloral hydrate, 55
Anesthesia from conephrin, 138
Anesthesia from ethyl chlorid, 629
Anesthesia from magnesium sulphate, 48
Anesthesia in animal dentistry, 732
Anesthesia in treatment of distemper, 241
Anesthesia of horses, morphin for, 47
Animal breeding, 113
Animal dentistry, 746
Animal experiments with Tuberculomucin, 313
Animal parasites, 8
Animal products, disinfection of, 313
Animals gorged with grain, 890
Animals that prey upon sheep, 441
Animals, venereal infections of, 803
Anomalies, pig and sheep, 986
Anthrax, 546
Anthrax in man from shaving brush, 462
Anthrax prevention by immunization, 47
Anthrax, serotherapy of, 519, 615
Anthrax vaccine and serum, 142
Anti-anthrax serum, value of, 531
Anti-hog cholera serum, clear, sterilized, 533, 541
Antiseptic, use of ether as, 828
Antitoxin and bacterins for influenza, 830
Antitoxin in treatment of tetanus, 225, 651
Anus, imperforate, 230
Arkansas veterinary meeting, 334
Army veterinarians appreciate support, 568
Army veterinary bill, 467
Army veterinary bill a success, 385
Army veterinary corps, 722
Army veterinary corps in the European war, 737
Army veterinary legislation, 635
Army veterinary officers, pay of, 548
Arthritis deformans, 750
Ascites in a shoat, 986
Aseptic wound treatment, 539
Atypical cases of milk fever, 899
Atypical parturient paresis, 758
Austria, eradication of rabies in, 460
Automobiles in veterinary practice, 61, 465
Autotherapy, 235, 315, 329
Autotherapy—why? 474
Azoturia, Bierling's treatment of, 138
Azoturia fore and aft, 570
Azoturia, lobelin sulphate for, 327
Azoturia of horses, 216
Azoturia, salt solution in, 459

B

Bacilli, tubercle types of, 885
Bacterial vaccine in naval ill, 560

Bacterins and antitoxin for influenza, 830
Bacterins in navel ill, 760
Balkan war, treatment of wounds in, 316
Bang system in tubercular cattle, 560
Belladonna replaced by stramonium, 58
Bemis' anesthesia for dental operations, 892
Benevolence for veterinarians, 67
Betz Company elects new president, 993
Bichlorid of mercury in treatment of fistulous withers, 820
Bierling's treatment of azoturia, 138
Biography:
Pictorial review of noted veterinarians
American veterinary practitioner, the, 127
New year in our biographical department, 37
Dalrymple, W. H., 37
Hughes, D. Arthur, 307
Kinsley, A. T., 40
Rogers, Burton R., 41
Simpson, Harry Chase, 129
White, George Ransom, 130
Winchester, J. F., 128
Biologicals, correct designation of, 461
Biorisation of milk, Lobek's, 50
Bismuth paste in poll-evil and fistula, 396
Black head in turkeys, 793
Blackleg, serum for, 384
Blackleg, simultaneous vaccination against, 796
Black oil for wounds, 162
Black oil liniment, formula for, 180
Black tongue in dogs, pellagra? 325
Bleeding best for killing horses, 476
Blood albumen as substitute for eggs, 630
Blood examination for glanders, 48, 139
Blue cross favored, 721
Boars, cryptorchid, castration of, 965
Bog spavin, 871
Bog spavin, cause and treatment of, 755
Bone spavin, shoeing for, 55
Bones affected by food deficient in lime, 460
Book Reviews:
American Illustrated Medical Dictionary (Dorland), 211
American Public Health Protection, by H. B. Hemenway, 454
Common Diseases of Farm Animals, by R. A. Craig, D. V. M., 35
Digs at Doc and Others, 456
Diseases of the Dog and Their Treatment, by Dr. George Muller, 626
Essentials of Veterinary Law, by H. B. Hemenway, A. M., M. D., 212
Hospital Laboratory Methods for Students, Technicians and Clinicians, by Frank A. McJunkin, 626
Journal of Bacteriology, 458
Kriegstierseuchen — Epizootics During War and Their Control, by Hermann Miessner, 123
Lymphatic Glands in Meat Producing Animals, by P. Godbille, translated by Alex. F. Liautard and D. Arthur Hughes, 123
Medical and Veterinary Entomology, by William B. Herms, 124
Ninteenth Annual Report of the United States Live Stock Sanitary Association, 306
Practical Bacteriology. Blood Work and Animal Parasitology, by E. R. Stitt, 956
Practical Physiological Chemistry, by Philip B. Hawk, 626
Practitioner's Medical Dictionary (Gould's) Revision, by R. E. J. Scott, 626
Proceedings of the Ohio Veterinary Medical Association, 455
Productive Feeding of Farm Animals, by F. W. Woll, Ph. D., 35
Rhymes for Kindly Children, by Fairmont Snyder, 882
Sheep Diseases, by E. T. Baker, 956
Text Book of Meat Hygiene, by Richard Edelman, 626
Text Book on Pathogenic Bacteria and Protozoa, by Jos. McFarland, M. D., 211
Tonic, 1916 (Chicago Veterinary College), 455
Veterinary Bacteriology, by Robert Earle Buchanan, 882
Veterinary Handbook and Visiting List, by Thomas B. Rogers, 456
Veterinary Therapeutics, by E. Wallis Hoare, 631
Wayside Experiences, by C. Elton Blanchard, 456
Western Grazing Grounds and Forest Ranges, by Will C. Barnes, 455
Botanic remedies, 543
Bovine hemorrhagic septicemia, 694
Bovine infectious abortion, 13
Bovine tuberculosis, control of, 526
Bowel perforated in horse, 326
Breeding industry, effects of stallion registration on, 619
Breeding of animals, 113
British Columbia veterinarians meet, 164, 578, 990
Bull with infectious orchitis, 470
Bull with penis amputated, 67
Bull with urethral calculus, 401
Bulletins every veterinarian should have, 35, 125, 386, 535, 882, 957
"Bull's eye" shoulder, operation for, 894
B. A. I. and practitioners should co-operate, 534
B. A. I. directions for tuberculin testing, 981
B. A. I. employes merit increase in pay, 532
B. A. I. employes, official journal of the, 880
Burning relieved by old treatment, 829
Burns, picric acid for, 47
Burns treated with ferric chlorid, 887
Bursatti of the horse, treatment of, 817
Bursitis, 545

C

Calf, double-headed, 825
Calf, eight-legged, 830
Calf from heifer thirteen months old, 891
Calf from heifer twelve months old, 402
Calf meal, hemorrhagic enteritis from, 828
Calf partly double, 473
Calf with imperforate anus, 230
California veterinary meeting, 658
Calk wounds in winter, 158

Calomel and kaolin for dysentery, 887
Calves, diarrhea in, 246
Calves, septic pleuro-pneumonia of, 215
Calves, twin, 324
Camphor for intravenous injections, 47
Camphorated oil in pneumonia, 52
Cancer treated with steam, 887
Cane poisoning in cattle, 966
Canine distemper, 162
Canine pathology, teaching, 709
Cantharides, 60
Capped hock, treatment of, 634
Carpus, dorsal flexion of, 832
Case for diagnosis, 144
Castration of cryptorchids, 43
Castration of cryptorchid boars, 965
Cat and dog, acarus mange of ears of, 885
Cat and dog practice, examination of urine in, 865
Cattle, dental irregularities in, 406
Cattle, infectious pneumonia of, 15
Cattle, infectious vaginitis and abortion of, 48
Cattle lost from unrecognized disease, 971
Cattle poisoned by cane, 966
Cattle poisoned by corn smut? 966
Cattle purge, formula for, 840
Cattle, rabies in, 392, 653
Cattle, sarcoptic mange in, 816
Cattle, tuberculin test for, 137
Cauterization for roaring, 116, 744
Cecum, impaction of, 967
Cerebro-spinal meningitis, 51
Change of location, 385, 904
Charcoal for wounds, 138
Chauffeur's knee, 141
Chicago Veterinary Society meeting, 327
Chinese animal hides, skins and bristles, 609
Chloral hydrate anesthesia, 55
Chlorinated lime for wounds, 389
Chloroform for killing horses, 56
Choke in a cow, 66
Choke in horse, 973
Cholera hogs, burning carcasses of, 642
Chronic glanders of horses, 642
Clear, sterilized anti-hog cholera serum, 533, 541
Clinic at the A. V. M. A. Detroit meeting, 741
Clinical diagnoses, greater accuracy in, 193
Clinics at A. V. M. A. meetings, 628
Cod-liver oil against flies, mosquitoes and ticks, 48
Cold abscess of shoulder of horses, 309
Cold packs in laminitis, 965
Collargol in sepsis, value of, 541
Collections for the veterinarian, 151
Collections, regular, 445
College for veterinary graduates, 832
Colon, paralysis of, 640
Colorado veterinary meeting, 337
Colt, umbilical hernia in, 397
Colt with extreme dorsal flexion of carpus, 832
Colt with laminitis, 409
Colt with strangulated hernia, 637
Colt with two legs, 899
Colts, meningitis in, 462
Colts, one deformed; the other normal, 645
Colts with strongylosis, 978
Conephrin for local anesthesia, 138
Connecticut veterinary meeting, 224, 764, 850
Constipation from rectal melanoma, 901
Contagious abortion, 13, 391, 699, 723
Contagious croupous follicular rhinitis, 390
Contracted tendons, operation for, 147
Control of bovine tuberculosis, 526
Convulsions in parturient paresis, 398
Co-operation between B. A. I. and practitioners, 534
Corneal tumor in fox terrier, 155
Counterirritant, formula for, 180
County agent, 148
Cow brought to customer, 995
Cow, gastric distension in, 396
Cow, leg amputation in a, 758
Cow thirteen months old with calf, 895
Cow twelve months old with calf, 402
Cow, torsion of intestine in, 406
Cow with choke, 66
Cow with eversion of uterus, 641
Cow with fistula of the withers, 69
Cow with foreign body in reticulum, 558
Cow with prolapse of rectum, 148
Cow with rupture of prepubic tendon, 975
Cow with straw in trachea, 155
Cow with thoracic choke, 562
Cows, infectious abortion of, 13, 391, 699, 723
Cows infested with distoma hepaticum, 896
Cows, mammitis in, 19, 965
Cows, strangury in, 240
Cows, tubercular, 942
Cows, uterine irrigation of, 741
Cows with ingested foreign bodies, 646
Cross and triangle emblem, 474
Cryptorchid boars, castration of, 965
Cryptorchid castration, pitfalls in, 43
Cuterebra fontinella Clark, 51
Cyclops, 554

D

Dairy interests, national conference of, 530
Dental disorders, diagnosis of, 811
Dental irregularities in cattle, 406
Dental nomenclature, 959
Dental operations, anesthesia for, 892
Dentistry, anesthesia in, 732
Dentistry of domestic animals, 746
Dentistry, restraint of patients for, 883
Destruction of lice in horses, 817
Detroit for next A. V. M. A. meeting, 34
Detroit by auto, 624
Diagnoses, greater accuracy in, 193
Diagnosis, laboratory, 203
Diagnosis, laboratory aids to, 327
Diagnosis, new aid to, 527
Diagnosis of dental disorders, 811
Diagnosis of electric shock, 752
Diagnosis of hog cholera, 707
Diagnosis of periodic ophthalmia, 951
Diagnosis of tuberculosis, 391
Diaphragm in horses, rupture of, 395
Diarrhea in calves, 246
Differential diagnosis of hog cholera, 707
Digestive ferments, organic and inorganic, 53

Digitalis therapy, 76
Digs at Doc, 451
Dimples in back of show cattle, 820
Disease, primary principles of, 944
Diseases, A. V. M. A. committee on, 713
Diseases of animals in Germany, 137
Diseases of animals, venereal, 230
Diseases of foxes, 195
Diseases of the ewe, 513
Disinfection of raw animal products, 313
Distemper, canine, 162
Distemper in dogs, anesthesia for, 241
Distension of the tarsal joint capsule, 871
Distoma hepaticum in cows, 896
Dog and cat, acarus mange of ears of, 885
Dog and cat practice, examination of urine in, 865
Dog, tuberculosis of the, 749
Dogs, army hospital for, 528
Dogs, black tongue in, 325
Dogs in war, 216
Dogs, pyorrhea in, 392
Dogs, treatment of distemper in, 241
Dorby hog remedy, 453
Dorsal flexion of carpus in a colt, 832
Double-headed calf, 825
Dressings, immobilization, 937
Drug economy, 756
Drug growers, caution to, 842
Drugs, high-priced, substitutes for, 901
Drugs, proper use of, 462
Drugs requiring cheaper substitutes, 57
Drugs, symposium on, 219
Dye for war horses, 217
Dysentery, treatment of, 887
Dystocia, complicated case of, 550

E

Ears of dog and cat, acarus mange of, 885
Ecbolics, organ extracts as, 542
Edema, malignant, 977, 980
Edema of the glottis, strangulation from, 890
Egg production increased by pituitary substance, 142
Eggs, blood albumen as substitute for, 630
Eight-legged calf, 830
Electric shock, detection of, 752
Electro-magnet for removing shrapnel, 314
Elk, scabies in, 821
Emblem for A. V. M. A., 229
Emblems, veterinary, 475, 533
Embryotomy with molar cutters, 558.
Empirics advertising as graduates, 465
English transport duty, 197
Entero-hepatitis in turkeys, 793
Epididymitis in the stallion, 398
Epizootic lymphangitis in man, 156
Epizootic of hemorrhagic septicemia, 969
Epizootics during war and their control, 369
Equine laminitis, 281, 297
Ether as an antiseptic, 828
Ethics preached for the other fellow, 324
Ethyl chlorid as general and local anesthetic, 629
European army veterinary corps, 737
Eversion of rectum accompanying parturition, 395
Eversion of uterus in a cow, 641
Eversion of uterus in sow, 230
Eversion of vagina, 980
Ewe, diseases of the, 513
Examination of horses for war, 753
Examination of urine in dog and cat practice, 865
Executive board of the A. V. M. A., 877
Executive board A. V. M. A. meeting, 955
Experience has taught me, 972
Extra uterine pregnancy, 557

F

Farmers advised to treat emergency cases, 896
Farms, tractors used on, 807
Febrifuge powder, formula for, 840
Federal aid road act, 875
Federal meat inspection approved, 528
Fees for veterinary services, 547
Femur, fracture of, 639
Fox terrier puppy, gastrotomy in, 325
Ferric chlorid treatment for burns, 887
Fertility, factors controlling, 140
Fibrous obstruction of the teat duct, 131
Fistula and poll-evil, 396
Fistula from imbedded piece of hoof, 404
Fistula in mule colt, 900
Fistula of the jugular vein, 629
Fistula of the submaxillary gland, 395
Fistula of the withers in a cow, 69
Fistula of the withers in country horses, 960
Fistula, recto-scrotal, 473
Fistulous withers, a stubborn case of, 650
Fistulous withers, caustics in treatment of, 820
Flesh ingested by bovine, 563
Flesh not digested by ruminants, 402
Flexor pedis perforatus tendon, luxation of, 63
Flies in stables, 964
Flies killed by cod-liver oil, 48
Flies, trap for, 574
Fly exterminator for stables, 831
Fly larvae destroyed by veratrum, 750
Follicular mange cured with staphylobacterin, 402
Follicular mange treatment, 148
Food deficient in lime affects bones, 460
Foot-and-mouth disease conference, 25
Foot-and-mouth disease, government aid in, 532
Foot-and-mouth disease in a man, 887
Foot-and-mouth disease in soldiers, 962
Foot-and-mouth disease outbreak over, 117
Foot-and-mouth disease vaccination, 140
Foot of mule injured, 966
Forage poisoning, 51, 65, 654, 889
Forage poisoning, phlebotomy for, 238
Foreign bodies, ingested, 646
Foreign body in cow's reticulum, 558
Fore leg of steer amputated, 974
Formula for "black oil", 162
Formula for black oil liniment, 180
Formula for conephrin, 138
Formula for counterirritant, 180
Formula for febrifuge powder, 840
Formula for gastro-intestinal catarrh treatment, 840

Formula for hoof softener, 180
Formula for influenza treatment, 838
Formula for laxative mixture, 840
Formula for mammitis treatment, 840
Formula for picric acid solution, 887
Formula for prescription for thumps, 850
Formula for prescription in stertorous breathing, 850
Formula for purge for cattle, 840
Formula for skin antiseptic, 57
Formula for stable morphin solution, 138
Formula for sunstroke prescription, 850
Formula for Van Arsdale's mixture, 219
Fracture of head of femur, 639
Fox terrier with corneal tumor, 155
Foxes, diseases of, 195

G

Galenicals, deterioration of, 393
Gas for destroying horses, 762
Gastric distension in the cow, 396
Gastro-enteritis, infectious, 314
Gastro-intestinal catarrh, prescription for, 840
Gastrotomy in fox terrier puppy, 325
George Washington University Veterinary College banquet, 344
Georgia, veterinary conditions in, 55
German restrictions, 930
Germany, animal diseases in, 137
Gestation in the mare, 479
Getting there, 61
Glanders, A. V. M. A. committee on, 722
Glanders, blood examination in, 48
Glanders, chronic, 642
Glanders, diagnosed by blood examination, 139
Glanders in war time, 139
Glanders, ophthalmic mallein test for, 815
Glanders, streptococcic infection simulating, 537
Globulin, hog cholera, 703
Glottis, edema of the, 890
Glycerin, substitute for, 815
Goitre, thyroid gland in treatment of, 833
Government encouragement of horse breeding, 529
"Government Veterinary," A, 249
Graduate veterinary college, 832
Grand Rapids Vet. College football team, 145
Guinea pigs, raising for profit, 96

H

Handling the feeble minded, 434
Hartwig's operation for torsion of uterus, 224
Hartwig's procedure against torsion of the uterus, 328
Heart degeneration following impaction, 72
Heart, mitral insufficiency of, 819
Heifer's heart with one ventricle, 400
Heifer thirteen months old with calf, 895
Heifer twelve months old with calf, 402
Hemorrhage from palatine artery, 52
Hemorrhage, pulmonary, 885
Hemorrhagic enteritis from calf meal, 828
Hemorrhagic septicemia, 716
Hemorrhagic septicemia, bovine, 694
Hemorrhagic septicemia in Oklahoma, 969
Hermaphroditism in an ostrich, 422
Hernia in colt, umbilical, 397
Hernia in stallions, 902
Hernia, strangulated, 637
Hernia, ventral, 820
Hexamethylenamin, 750
Hides, skins and bristles, Chinese, 609
High finance at Bunchgrass, 239
High stepping from faulty shoeing, 645
Hog cholera diagnosis, 707
Hog cholera globulin, results of, 703
Hog cholera, kidney petechiae in, 54
Hog cholera, medical treatment of, 199
Hog cholera specific, 306
Hog with four kidneys, 328
Hogs, burning carcasses of, 642
Hogs, giving medicine to, 53
Hogs, who should vaccinate? 481
Hoof softener, formula for, 180
Hoof with horny growth, treatment of, 223
Horse breeding, government encouragement of, 529
Horse, bursatti of, 817
Horse, choke in, 973
Horse, oxyuris in rectum of, 396
Horse, raising with rope, 827
Horse recovers from lock-jaw, 153
Horse, strained tendons and ligaments in, 64
Horse, vesicular exanthema of the, 321
Horse with horny growth on hoof, 223
Horse with paralysis of large colon, 640
Horse with peculiar swelling, 979
Horse with perforated bowel, 326
Horse with stomach trouble, 62
Horse with tetanus, 152
Horse with tuberculosis, 143, 156
Horse wounded by shrapnel, 314
Horseback riding challenged, 477
Horses and mules, treatment of influenza in, 947
Horses, alopecia in, 961
Horses, azoturia in, 138, 216
Horses, chronic glanders of, 642
Horses, cold abscess of shoulder of, 309
Horses destroyed by illuminating gas, 762
Horses, destruction of lice in, 817
Horses, how to kill with chloroform, 56
Horses, infectious stomatitis of, 881
Horses in country with fistula of withers, 960
Horses, influence of farm tractor on number of, 807
Horses in the world war, 217
Horses in war time, 389
Horses killed by bleeding, 476
Horses killed by pithing, 407
Horses killed by strychnin, 55, 338, 393
Horses, methods of killing, 56, 221
Horses, morphin anesthesia for, 47
Horses, parasitisms in, 763
Horses, periodic ophthalmia of, 951
Horses, purpura hemorrhagica of, 139
Horses, rupture of diaphragm in, 395
Horses, short-winded, 761
Horses transported to war zone, 378, 447
Horses, war experiences with, 460

Horses with rhinitis, 390
Horseshoe emblem, 475
Hospital for army dogs, 528
Hughes, D. Arthur, (Obituary), 210
Hughes, D. Arthur, 719
Hydrocele, operation for, 546
Hypochlorous acid as antiseptic, 543
Hyoscyamus, 393, 963

I

Idaho veterinarians meet, 409
If you want to rise, 250
Illegal practitioners, how to stop, 545
Illinois live stock sanitation, 236
Illinois State Vet. Med. Assn., coming meeting, 876
Illinois veterinary meeting, 82, 572
Immobilization dressings, 937
Immune sera, active principle in, 376
Immunity, 206
Immunization for prevention of anthrax, 47
Impaction of cecum with recovery, 967
Impaction of the rumen, 72
Impaction relieved by stomach tube, 556
